

**Mr. Neil Lowrie**

January 15, 2024

Dear Mr. Lowrie,

The Children's Cancer Center of Lebanon (CCCL) is a place of hope and healing.

On behalf of the CCCL patients, we would like to extend our sincerest gratitude for your generous **donation of 1,314 GBP raised through proceeds from "Aleppo Soap"** to help and continue supporting CCCL. Despite everything they have gone through, our patients still smile when you reach out.

At CCCL, we have witnessed these hospital rooms transform into spaces of hope and resilience for countless families battling pediatric cancer. The sterile walls have taken on a new meaning, becoming a cherished home for those in the midst of their most challenging journey.

Since its inauguration in 2002, CCCL has provided access to treatment for around 5,000 patients from all over the region, at no cost to their parents.

CCCL has been intensifying fundraising efforts and implementing cost containment to ensure our patients' continuity of support and services despite all faced challenges in the past 21 years.

Today, CCCL supports more than 50% of all children with cancer in Lebanon, treating up to 500 patients yearly, with an average cure rate exceeding 80%.

Your help and kindness will never be forgotten by us or by those whose lives you have touched. On behalf of ALL of us at CCCL, thank you from the bottom of our hearts.

Appreciatively yours,

A handwritten signature in blue ink that reads "Hana".

Hana Chaar Choueib  
General Manager  
Children's Cancer Center of Lebanon
