Mr. Neil Lowrie
Aleppo Soap

Dear Mr. Lowrie,

At the Wellness area of the Children's Cancer Center of Lebanon (CCCL), 5-year-old Marissa fills the room with laughter as she paints colorful rainbows, dreaming of becoming an artist. Despite her battle with leukemia, her strength and smile remind us of the power of hope.

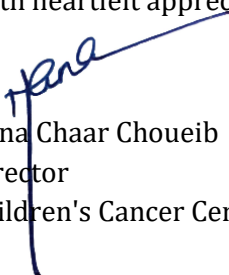

Thanks to your **generous donation of £2,593** raised through your online business, moments like these are possible. Your kindness brings healing, strength, and brighter days to children like Marissa.

When Marissa's parents first heard her diagnosis, their world was shaken. But with CCCL's free treatment and the support of donors like you, she is receiving the best care and making wonderful progress, continuing to dream of a colorful future.

For 23 years now, CCCL has provided hope and healing to more than 5,100 children, ensuring no family faces cancer alone. Your generosity keeps this mission alive, giving children a chance to thrive.

Thank you from the bottom of our hearts! Please share Marissa's story and help us spread more smiles and hope.

With heartfelt appreciation,

Hana Chaar Choueib
